APARTMENTS

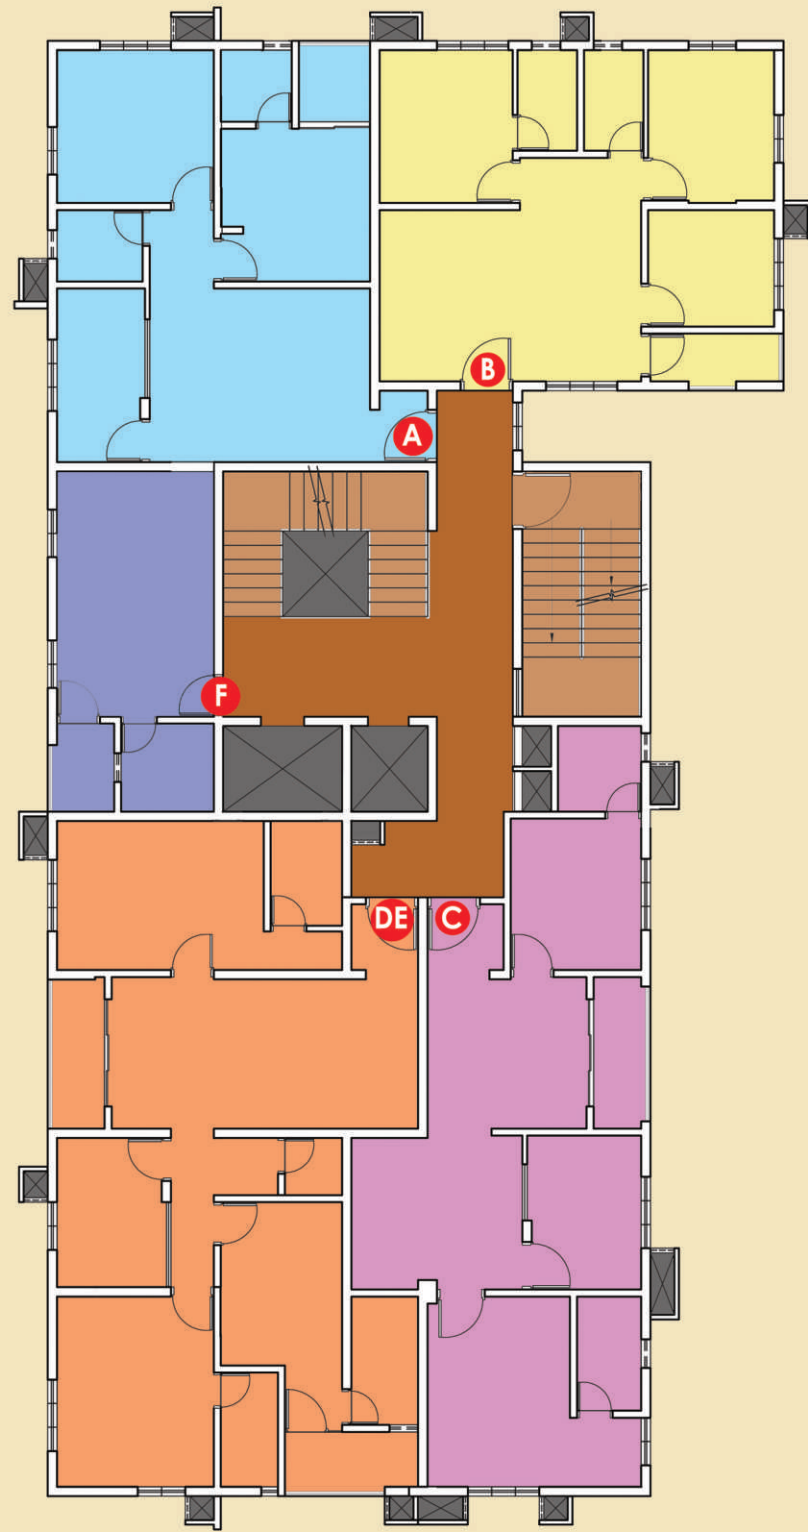

Proud associate of **KOCHI METRO**

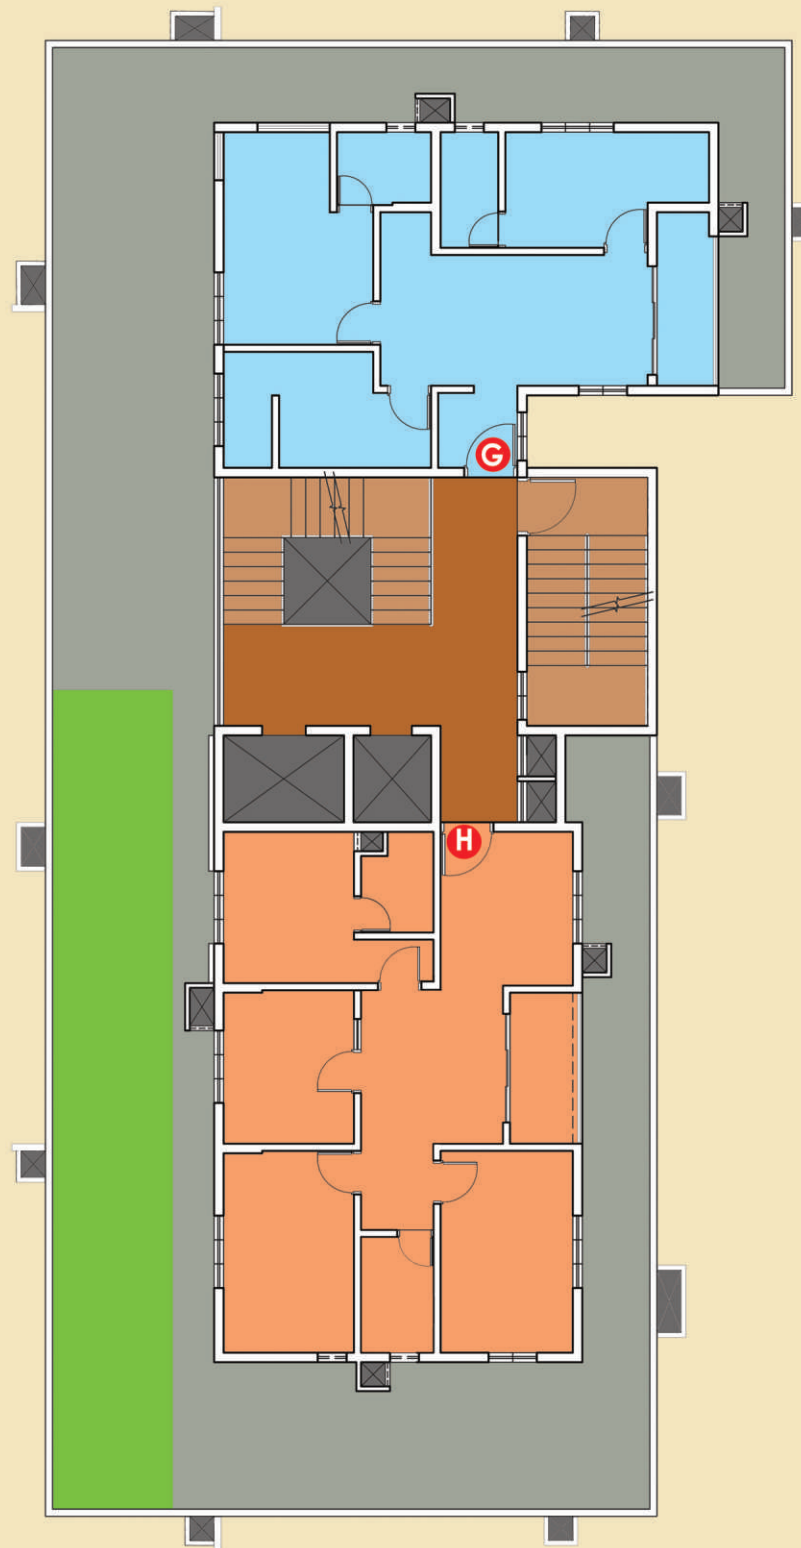

DIRECTIONS TO YOUR **DREAM DWELLING**

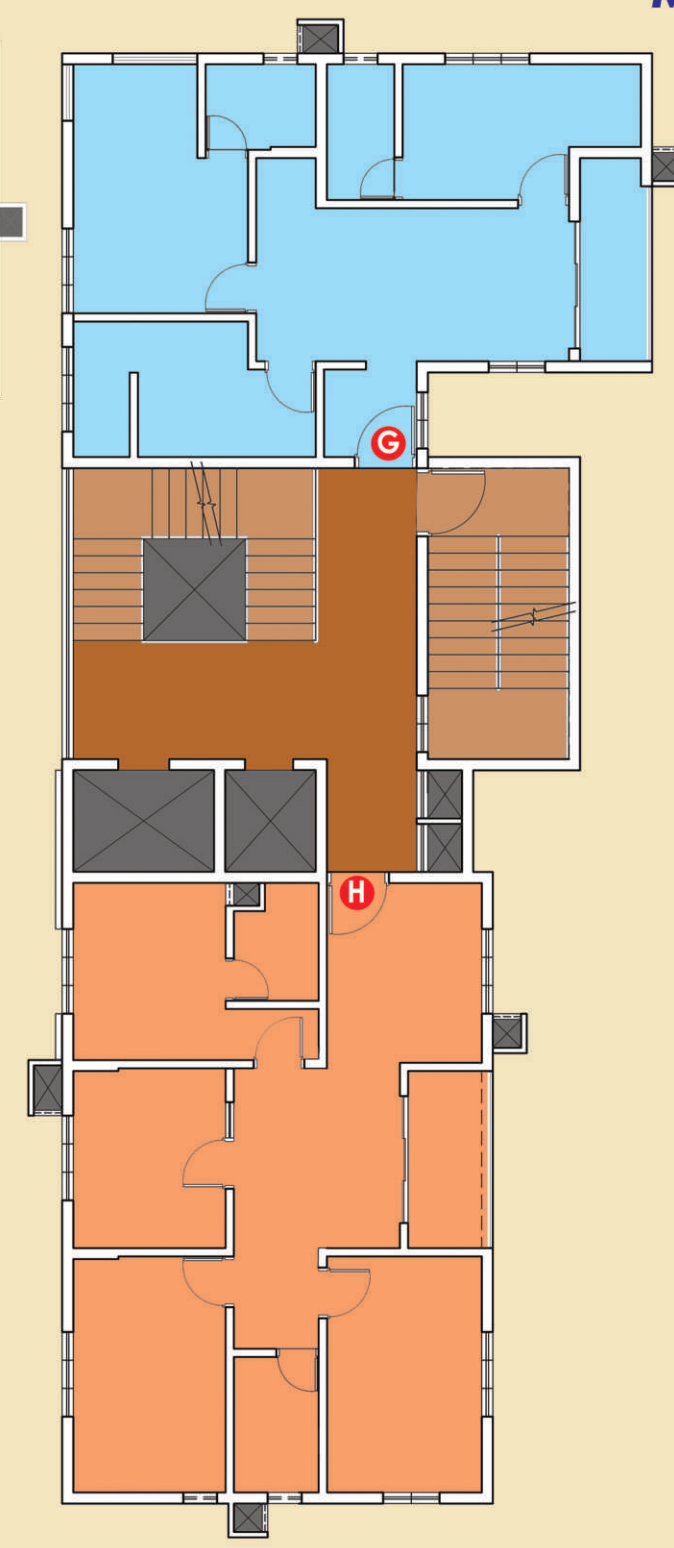

Best things in life need not always be difficult to reach .The TIdso metro heights is easily reachable and faces the busy Thrissur Shornur road past the Paturaikal junction and just after the substation. It is but a couple of kms away from the historical Vadakunatha temple and we are sure no body will have a problem finding it,for it promises to become a land mark by itself.
